

Before & After School Your Partner for Success

Available to 2018 - 2019 West Clermont K-5 Students! West Clermont LSD has partnered with Child Focus to offer Before and After School programming for elementary students. The purpose of this program is to provide affordable, quality child care that instills a sense of pride for both school and community. The program will follow the school district calendar; therefore, when school is not in session, Before & After School will be closed as well. Transportation is the parent's responsibility. Morning hours are 6:45 a.m. to start of school and afternoon hours are end of school to 6 p.m.

Program Highlights

- Affordable, convenient care on campus
- Homework time during program
- Licensed & certified staff ratio
- After school snack provided
- Structured recreational & enrichment activities
- Seamless transition to before & after school
