

Strengthening Families Group

Child Focus now offers a group to build skills for parents and life skills for youth resulting in a strong, healthy family.

Do you feel...

- stressed or overwhelmed?
- like you can't cope?
- worried about drug use?
- like you need help dealing with a past traumatic experience?

Our highly trained staff can help you cope with current stressors to help improve family communication and bonding, set clear boundaries and improve the well-being of your family. Services are available in Mt. Orab.
