

# Born Learning Academy

## Your Partner for Success

Do you have an infant, toddler or preschooler? Join us to learn about what it means to be ready for Kindergarten! Learn about proven strategies to maximize your child's learning and development.

### Enrichment Activities

Parents will learn about building relationships, how children learn, how to support their child's language skills among other topics.

### Connect with Others

Join in the fun with other parents and caregivers by participating in activities that promote healthy development and learning.

### No Cost to Participate

There is no cost to participate and participating families will also receive a **gift card and take-home activities** and materials to extend the fun!

### Registration & Information

Only 20 slots available,  
reserve yours today!  
Dinner, babysitting & gift cards  
for participating families.
