

# Behavioral Health Urgent Care

for children and adults

Located in Mt. Orab, Behavioral Health Urgent Care provides same day access for urgent mental health or substance use needs for children and adults in Brown, Clermont, Clinton, Highland and Adams Counties.

Services include immediate mental health screening, substance use care, crisis and medication management and care coordination for ongoing support.

## Who is eligible?

- We offer prompt, professional, caring support in a safe environment to anyone with an urgent behavioral health problem.
- We serve people of all ages and incomes. If you or someone you know is in crisis, walk in or call 937.913.2337.

## We can address:

- Mental health crises
- Suicidal thoughts or feelings
- Problems with substance use
- Depression and anxiety
- Trouble managing daily activities
- Thoughts of self harm or hurting others

**If you are experiencing a medical emergency (overdose, chest pain, difficulty breathing) please call 911.**

## Walk-In or By Appointment

### Hours of Operation

- Monday through Friday  
8am-4pm
